Fellow MORAA Members:

The MORAA Board of Directors would like to invite you to the 2022 “Show-Me Reds Spring Sale”. Linda Campbell will once again be heading the Sale Committee as well as managing the sale. To continue to build upon our past success, the MORAA Board of Directors remains committed to improving the sale offering and how the consigned animals are presented.

The primary purpose of the sale is to allow members, specifically members with small herds the opportunity to consign their animal(s) in a well-publicized venue. This exposure not only can provide you with a premium, but it places your name in view of many cattlemen around the Midwest and beyond. With that being said, I would like to take this opportunity to not only invite but encourage each & every member to consign an animal(s) if possible.

Please review the sale guidelines and entry information. If you have any questions or concerns, don't hesitate to contact Linda Campbell, your area director or any MORAA Board Member. If you know someone that might be interested in consigning, please direct them to our website for the entry information.

Regards,

**Dan Lacy**
