## Fellow MORAA Members,

The MORAA Board of Directors and I would like to invite each and everyone of you to our Annual Show-Me Reds Sale on Sunday, April 26, 2026 at 2:00 P.M. at the Springfield Livestock Market in Springfield, Missouri. This sale not only shows how deep quality of Red Angus cattle are but allows breeders across the state(s) to showcase there program and genetics and connect with fellow breeders. Together, let's make this year's sale a success and continue to promote and grow our excellence of our breed.

We look forward to seeing each of you SALE DAY, not only as consignors but as buyers! The Red Angus breed is as hot as ever and growing rapidly. We know each of you will bring your very best to our Annual Show-Me Reds Sale. Please keep in mind the presentation of your cattle not only on Sale Day but also in the sale catalog is very important, pictures and videos prior to sale day will help catch a buyers eye bringing them to the sale! This is a very busy time of year with the weather and calving and deadlines can creep up on you but **please** put them on your calendar and set yourself a reminder! Watch the Missouri Red Angus Association Facebook Page for reminders of deadlines! It is unfortunate that some things are out of our control when getting catalogs out to buyers and with the USPS becoming slower we want to allow enough time for them to be mailed out so we ask **PLEASE** respect the set deadlines! Contact Makayla with any questions regarding deadlines or with any other questions! I will be in and out of a picture pen and sales, please leave a message or send me a text if you don't get ahold of me and I will get back to you!

Sincerely,  
Missouri Red Angus Sale Manager - Makayla Reynolds
